Roger Bourgeois

Superintendent-Director

To the Class of 2014,

As the Superintendent-Director of the Greater Lowell Technical High School, it is my pleasure to congratulate the Class of 2014 on your graduation from this outstanding vocational technical school.

It is hard to believe that only four short years ago you entered our school as freshmen and began a very special and unique educational journey. I have no doubt that your decision to attend Greater Lowell Tech probably came with equal levels of anxiety and excitement about what the next four years of your lives would hold for you. It is my hope that those four years turned out to be a wonderful opportunity for you to grow, learn, and thrive in a school community that takes great pride in the academic, technical, and personal achievements of each and every student. I am also hopeful that your high school experiences have positioned you well for success in college, career employment, and life in general.

Please keep in mind that as an Alumnus you will always be a valued member of our learning community. I hope that you will come back to visit us often and participate in many of the activities that support our students and school.

Your futures are bright and full of promise and I have no doubt that you will enjoy a most rewarding and fulfilling life, both professionally and personally.

Sincerest best wishes,

Roger Bourgeois
